

### Why have so many Banks Switched to SmartCall?

SmartCall's winning combination of ease-of-use, advanced technology and better value have made it the most popular choice for Banks nationwide.

*Fed Reporter can help you make the switch from the TFR to the Call Report easier than you ever thought possible.*

#### SmartCall's revolutionary All-in-One SmartWindow gives you everything you need at-a-glance!

- ☆ SmartCall now includes our easy to use **SmartSOD** software which enables you to prepare and submit your FDIC Annual Summary of Deposit Report.
  - ☆ Also included at no extra charge is our **SmartRCR** module which automatically calculates your RCR Schedule.
  - ☆ Our exclusive **SmartExpress** module enables you to automatically capture General Ledger, Loan & Deposit data directly from your Core software.
- **SmartCall** includes new features to help in the transition from the TFR to the Call Report.
  - **SmartCall's** setup is instant and requires no learning curve.
  - **SmartCall** customizes itself to fit YOUR bank's FFIEC Call Report data and requirements.
  - **SmartCall™** introduces new features that instantly make preparation and verification of the Call Report faster and easier for you and your bank.
